**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We do not want your job to be the strangling of competition. We want smaller ISP's to have access to critical infrastructure so they can be a part of building out a network infrastructure that isn't the shame of the developed world. Please do not let the ATT's and Verizon's of the world take away access of smaller ISP's to last mile copper or inter-city fiber links.

Thank you.
